

**Employers** – The Satori Cross Border Network™ provides your employees with access to quality medical clinics and physicians along the border. With Satori, you can offer your Hispanic employees & their dependents access to culturally desirable care without any network access fees. Through the Satori Global Network™ your employees will have access to our Western hemisphere network of **International Centers of Excellence**.

## Features

## What it Means to You:

### High Quality Network of Hospitals and Physicians

Your employees will have access to Joint Commission International (JCI) accredited hospitals staffed by US/UK or equivalently trained and Board Certified physicians. For elective high cost surgeries

### Satori Quality Assurance Program™

Our quality program is led by our Chief Medical Officer who continuously monitors the performance of network hospitals to ensure the highest level of patient care.

### Contracted Fixed Price Surgical Case Rates

Our pricing model yields an estimated claim savings of \$10,000 to \$70,000 savings vs. the cost in U.S. for the same procedure. Our packaged rates include all hospital, physician, and ancillary charges, as well as, all hotel and travel cost for a patient and a companion.

### Flexible Benefit Structure

Choose how to design your employees benefit plan by either using claims savings to fund a 100% medical benefit and/or utilizing a shared savings benefit model which rewards employees for their decisions.

### Simplified Billing

Satori makes billing simple by providing the payor with one all inclusive bill in USD which simplifies claim processing.

### Medical Travel Patient Services

Satori's surgically trained and bilingual Nurse Patient Advocates coordinate all facets of patient care including phone consultation, medical records transfers, and scheduling follow-up care. Satori's in-house Travel department coordinates all hotel, airfare and patient transportation services.
